 1. You can enter in multiple sleds, by choosing the **Add a Sled** button on the upper right hand side under your Sleds menu option on the left hand side of your screen.
 2. We recommend that you identify each sled entered by adding stock/improved/mod, etc after the make of your sled, so that when you register for races you can easily identify which one is needed for each class.
 - iii. If you have chosen a number and the website will not allow you to save it, please reach out to Alexie Cilensek at 307-389-2683 (text is preferred) or via email at Alexie@pitschins.com and include the number(s) you are trying to sign up with.
- III. Step Three-Annual vs. Temporary Membership
 - a. Decide if you will be racing the season with an Annual Membership (will allow you to sign up for the new member's classes at the first three races of the season for a chance to qualify for Jackson's Championship) or if you will be racing as a Temporary Member (if you are racing 3 or less races and aren't concerned with accumulating points this is recommended).
 - b. If you are racing as an **annual member**, please log into **your Raceday profile** and choose **Purchase/Renew my membership now** from the bottom of the home page. Please make sure to go through all prompts of the membership in order to complete your purchase.
 - c. If you are racing the season as a temporary member, those memberships will be added to each race that you sign up for at that time, you don't need to do anything.
- IV. Step Four-Get your ISR Membership
 - a. All ISR memberships must be purchased online ahead of the race for the 2020 season and beyond. *They are no longer allowing us to do onsite paper registration.
